The Term is certainly flying by! The teachers are busy completing the students’ reports. They will be sent home the last week of term. Parent/Teacher Meetings will take place over the first few weeks of next term.

Welcome back from Long Service Leave Mrs Ahearn. Mrs Eshman is away this week, supervising at the Dance Festival. Mrs Devlin is teaching 5/6E.

Our Senior Choir will travel to Balgownie PS tomorrow for their first combined practise for the Choral Festival next term.

Thank you to our hard working P&C for their great efforts in Fundraising. P&C have just purchased 24 Samsung tablets for the children to use in classrooms.

The students are looking forward to the Movie Night this Friday night.

**Clothing Pool**

Please note that we have a small clothing pool of second hand school uniforms in the office. All clothing is in good condition. We are asking that when your child out grows out of their uniform, would you please donate it back to the school if it is in good condition. This will help other families in need.

Mrs Payne
Principal
Library
Congratulations to all the children who have been borrowing lots of books from our School Library collection. Could you please encourage them to return any School Library books they may still have at home so I can begin a stocktake before the upcoming school holidays ready for Term 3 borrowing. Thank you
Mrs Hancock

New Books
We have purchased 500 new readers for classroom use. As we are processing the books we also need them covered. Thank you to those lovely helpers who have been covering up to date. If you may be able to help cover a few books with contact please let Mrs Hancock in the Library know. Thank you.
Mrs Hancock

When kids as “the’ questions…
Interrelate has the answers!
Many parents find it hard to discuss questions relating to sexuality education. Interrelate programs are interactive and family focused, and are conducted by highly trained and experienced educators who adhere to a strict code of ethics.
Please indicate below if you would be interested in your child attending these sessions at our school.

State Knockout Soccer
Our girls and boys soccer teams played round two of the soccer state knockout on Thursday 21st May against Coniston Public School. Both teams played well. Unfortunately Coniston won both games the girls lost 3-1 and the boys score was 3-0 to Coniston

Regional Cross Country
Shantae J in Year 6 represented our district at the Regional Cross Country in Nowra. The course at Nowra is very different to the courses that we run at school and at The Kembla Joggers course, this one has hills. Shantae completed the course and did both our school and district very proud.
When I spoke to Shantae about her race she said to me that the course was more difficult than she thought it would be and the hills also made it tougher.

Archibull
As a part of our Archibull project we are looking for those families who have chickens, duck or geese at home. What we are looking for are photos of your chickens, their hen house and some funny photos. Then a small blurb about your photos and your chickens include what they eat, what they like to do, how long you have had them for etc.
You can either email them to Mrs Devlin or send them in on a thumbdrive and I will download them

Name for our Archie
Put your thinking caps on we are looking for an original name for our Archie. Names that we have had in the past have been
Baa Baa Bovine – representing the wool industry
Maizee Moo – representing the Grains Industry
This year we have the Poultry Industry and need some help in coming up with an original name.
Mrs Devlin and 5/6E would love to hear some of your ideas.

Reminder about Crunch and Sip
Crunch and sip is an important part of the day for our students it allows them to have a small break enjoy a snack to refuel their bodies to get them through until lunchtime.
Something that has been noticed in many classrooms and by the children who are emptying the compost bins in each of the classrooms is the amount of food waste that is occurring.
Some suggestions especially for our infants children
• Smaller portions, bite size pieces
• Cut large apples into smaller pieces as crunch sip is usually 10 minutes and some children are having difficulty finishing within that time.
• Check that the children enjoy eating the fruit or vegetables
PSSA Sport
This term boys and girls in years 5 and 6 have been participating in interschool sport playing seven a side, two hand touch rugby. This has allowed the student to learn and develop their game skills.
Our school is also a part of a pilot program where we will do 5 sessions at school and will then participate in a Gala Day at the end of the sessions.
Thank you to Chris who is our local rugby development officer, and tech teachers for their support each Friday.

Wanted
We are looking for Donations of Buttons any size, colour or shape as we will be using them for an art activity next term.
