K/1B Zoo Recount

Yesterday, K/1B went to Taronga Park Zoo in Sydney. KE, 1/2S and 2W came too. We went on a double decker bus.

We saw lots of animals at the zoo.

Isaac: I liked the snow leopards because they run very fast.

Kristian: I liked the gorillas because they liked to fight with each other.

Isabella: I liked the giraffes because they have long necks.

Namirah: I liked the elephants because they have a long trunk.

Zoe: My favourite animals were the chimpanzees because the baby chimpanzee did a wee on the other one.

Majed: I liked the crocodiles because they fight other animals.

Aliyah: My favourite animal was the fox because she was cute.

Joseph: I liked the lions because they bite.

Justin: My favourite animals were the tigers because they have sharp teeth.

Ethan: My favourite animals were the meerkats because they run around and stand up on their hind legs.
